Sir:

Pursuant to applicant's duty of disclosure under 37 C.F.R. 1.56, enclosed are copies of six (6) references for the Examiner's review and consideration. These references are listed on the enclosed PTO Form 1449.

These references were cited in the European Search Report, a copy of which is enclosed, but none are deemed to be material to the patentability of the present invention. It is respectfully requested that these references be made of record in this application by the Examiner's completion and return of the PTO Form 1449.
